## on-air membership drives

The Fine Arts Society's spring 2010 on-air membership drive was a great success, surpassing our fall 2009 drive in dollars raised to help us continue to air our classical music programs. It also surpassed the last three drives and brought in the most new Fine Arts Society members since our spring 2008 drive!

Welcome to our new listener members and our thanks to you and our loyal current members who also called in to renew their support during the spring membership drive. Memberships constitute more than 30 percent of the Society's annual operating budget. New and renewing members through our two on-air membership drives

annually are critical to our ability to continue to bring you the classical music broadcasts you depend on every day.

If you haven't renewed your Fine Arts Society membership yet or become a new member, please do so before or during our September on-air membership drive. Renew or join or make an added gift online ([www.fasindy.org](http://www.fasindy.org), click on "Donate") or call us weekdays, (317) 788-3291. Ask your friends, family members, neighbors, and co-workers to join you as supporters of our classical music broadcasts. Thank you for your membership donations!

Dated Material  
Please deliver before the first of the month.

Fine Arts Society programming is made possible in part through the generous support of:

# Classicalooza 2010! a success

Our thanks to everyone who helped make our May 15th fundraiser, *Classicalooza 2010!* such a success. Fine Arts Society supporters and friends enjoyed the relaxed evening on the upper mezzanine of the historic Indianapolis City Market.

The event included live musical performances, food and beverage stations, wine and beer sampling stations, and a silent auction. Guests strolled amongst all at their leisure throughout the evening.

We again thank our generous sponsors and event partners for their support of the Fine Arts Society's classical music broadcasts. Through their generous donations, *Classicalooza 2010!* raised income needed to help the Fine Arts Society continue to air our daily classical music broadcasts.
